Jolley Urga Wirth Woodbury & Standish Joins Legal Netlink Alliance

(Las Vegas) – Jolley Urga Wirth Woodbury & Standish Attorneys at Law is pleased to announce it has joined the premier international network of law firms known as Legal Netlink Alliance.

This multi-discipline law firm network offers clients the personal touch and accountability one would expect from a law firm with the resources and availability of the larger international firms, without the inherent inefficiencies, conflict issues and impersonal nature that characterizes many international law firms. Because the firms are independent, the needs and interest of their clients always comes first. Legal Netlink Alliance allows firms to provide integrated, cost effective, high quality, and personalized service.

“By joining this very important network, Jolley Urga has access to resources which allow us to provide an even higher level of service to our client base, both nationally and internationally,” said Bill Urga, senior shareholder of Jolley Urga Wirth Woodbury & Standish.

Jolley Urga Wirth Woodbury & Standish Attorneys at Law includes practice areas in civil and business litigation, commercial transactions, trusts, wills, probate, family law, personal injury, bankruptcy, and gaming. The firm was established in 1974 and has offices in Las Vegas and Boulder City. For more information on the firm and its services, contact 702.699.7500 or visit its Web site at www.juww.com.
